

ATTENTION: YACHTS AND CRUISERS!

Welcome to the Tennessee-Tombigbee Waterway! Please remember that any damage or hazard caused by a wake is the legal responsibility of the person creating that wake. Please watch out for:

- Small fishing boats in nearby waters
- Small boats tied to the shoreline at hunting areas along the waterway
- Boat ramps and Boat docks

The following is a list of developed areas where boat ramps and boat docks are concentrated or especially vulnerable:

Navigation Mile	Lake/Pool	Description
